Hoag Grand Opening of Hoag Health Center Irvine Creates a Health Care Village

IRVINE, Calif., September 17, 2016 --- [Hoag Health Center Irvine](#) celebrated its official grand opening today, introducing the community to the latest innovative concept in comprehensive care: the “health care village.”

Making it easier than ever for individuals and families to access Hoag’s renowned services and programs, the thoughtfully designed Hoag Health Center Irvine provides a rich array of [specialized and comprehensive health care services](#) such as [women’s health](#) and [cancer care](#) that complement the acute care services across the street at [Hoag Hospital Irvine](#).

The result is a health care village that provides the highest quality services ever made available in Irvine in a setting that ensures convenience and easy access to world-class care.

“Among its many enviable qualities, Irvine is revered for its well-designed villages, admired for their innovation and excellent quality of life,” said [Marcy Brown, vice president of Hoag Hospital Irvine and Ambulatory Services](#). “When Hoag set out to create the future of health care delivery, we drew inspiration from these villages and created an unparalleled community approach to health.”

On the corner of Alton and Sand Canyon, the 150,000+ square-foot Hoag Health Center Irvine provides access for individuals and families in Irvine and surrounding communities to Hoag’s renowned specialized services and providers, including those connected with Hoag Family Cancer Institute, Jeffrey M. Carlton Heart and Vascular Institute, Hoag Neurosciences Institute and Hoag Women’s Health Institute.

- [Hoag Family Cancer Institute](#) brings patients a full range of advanced cancer therapies, as well as access to new investigational treatments, through an alliance with USC Norris Comprehensive Cancer Center. Hoag Cancer Center Irvine offers multispecialty cancer care, along with [chemotherapy](#) and [infusion services](#), [radiation oncology](#), [hereditary counseling](#), oncology physician specialists, nurse navigation, access to [clinical research](#) and other support services.
- As one of the preeminent cardiovascular centers on the West Coast, [Jeffrey M. Carlton Heart and Vascular Institute](#) provides leading cardiovascular services. Bringing this level of care to the Irvine location, Hoag Health Center Irvine offers [cardiac rehabilitation](#), echocardiogram, EKG, stress testing and Holter monitoring, as well as a [Hoag Vascular Lab](#) and the [Peripheral Arterial Disease Supervised Walking Program](#).
- At the distinguished [Hoag Neurosciences Institute](#) the most experienced specialists perform the latest diagnostic tests and leading-edge treatment for the highest quality care of all complex neurological disorders. Hoag Health Center Irvine brings the sophisticated care and neurorehabilitation currently available only in Newport Beach for

the [diagnosis, treatment and management of epilepsy](#), as well [movement](#), [memory and cognitive disorders](#), [stroke](#) and [sleep disorders](#).

- Bringing the best of [Hoag Women's Health Institute](#) to Irvine, the new center combines progressive technology, patient education, comfort and exceptional care that is the hallmark of Hoag's women's health services. Hoag Health Center Irvine will also offer a [comprehensive breast center](#) with [screening](#) and [diagnostic mammograms](#), including [Tomosynthesis \(3D Mammography\)](#), and our trusted pelvic floor treatment program [WOMANOLOGY® by Hoag](#), as well as [obstetrics](#) and [gynecology](#).

"Working with residents and city officials, we heard repeatedly that Irvine is in need of world-class specialized services closer to home," Brown said. "We listened, and Hoag Health Center Irvine is our response."

The new state-of-the-art center also features a 7,200 square-foot building that houses King's Pharmacy and Compounding Center, as well as Hoag Urgent Care managed by Hoag Medical Group and a café, which is coming soon.

"Hoag Irvine has become a prime destination for health care for Irvine residents and beyond, and this expansion builds upon that," Brown said. "Working together, Hoag and Irvine are building a patient-centric model of health care for the city that will likely inform the way the rest of the county – and possibly the country – approaches health care."

ABOUT HOAG MEMORIAL HOSPITAL PRESBYTERIAN

Hoag is an approximately \$1 billion nonprofit, regional health care delivery network in Orange County, California, that treats more than 27,000 inpatients and 379,000 outpatients annually. Hoag consists of two acute-care hospitals – Hoag Hospital Newport Beach, which opened in 1952, and Hoag Hospital Irvine, which opened in 2010 – in addition to seven health centers and nine urgent care centers. Hoag is a designated Magnet® hospital by the American Nurses Credentialing Center (ANCC). Hoag offers a comprehensive blend of health care services that includes five institutes providing specialized services in the following areas: [cancer](#), [heart and vascular](#), [neurosciences](#), [women's health](#), and orthopedics through Hoag's affiliate, [Hoag Orthopedic Institute](#), which consists of an orthopedic hospital and two ambulatory surgical centers. In 2013, Hoag entered into an alliance with St. Joseph Health to further expand health care services in the Orange County community, known as St. Joseph Hoag Health. Hoag has been named one of the Best Regional Hospitals in the 2016 - 2017 *U.S. News & World Report*, and *Becker's Hospital Review* named Hoag as one of the 2016 "100 Great Hospitals in America" – a designation Hoag has received four times. National Research Corporation has endorsed Hoag as Orange County's most preferred hospital for the past 20 consecutive years and, for an unprecedented 20 years, residents of Orange County have chosen Hoag as one of the county's best hospitals in a local newspaper survey. Visit www.hoag.org for more information.
